

The Bird Feeder

"Amish Farm to Backyard Feeder"

WELCOME TO THE BIRDFEEDER

We send out the newsletter by the 4th Thursday of every month. Today is no different but the message this month is very simple.

Thank you.

Lizzie Mae Bird Seed & Dry Goods only exists because of you. Between trucking/manufacturing/warehousing and the three bird brains (Kevin, Mahlon, Rob), there are now 40 people who wake up every morning committed to taking care of you.

You've entrusted us to supply you with bird seed and our related products for almost 7 years now. We take this responsibility very seriously and it is our pleasure to work with each of you every day.

This year, like every year, we are thankful that our customers are also our friends.

From all of us, thank you.
